

TOWNSHIP OF EDWARDSBURGH CARDINAL PUBLIC INFORMATION CENTRE

JOHNSTOWN PHASE 1 DRAINAGE

MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT - SCHEDULE A⁺

The Township of Edwardsburgh Cardinal is evaluating the installation of a new stormwater drainage system in the area of Mary and Sophia Streets from County Road #2 to Second Street in the Village of Johnstown. The project is being planned under **Schedule A⁺** of the **Municipal Class Environmental Assessment Process**.

Public input and comment are invited, for incorporation into the Municipal Class Environmental Assessment process and the determination of a preferred alternative. Subject to comments received and the receipt of necessary approvals, the Township intends to finalize the detailed design for this project by the Late fall of 2021 in advance of anticipated construction, subject to budget approval, in the spring of 2022.

Project Location:

PUBLIC CONSULTATION

An integral component of this project is to undertake direct consultation with affected stakeholders, agencies and the general public. As such, a Public Information Centre (PIC) has been scheduled. The PIC will have an open house format, during which the Project Team will present conceptual design information relevant to the project seek public input and address any questions or concerns.

DATE: Thursday, September 23, 2021
TIME: 6:00 pm to 8:00 pm
LOCATION: South Edwardsburgh Community Centre
24 Sutton Dr, Johnstown ON

If you have any questions or comments about the project, please contact one of the following Project Team Members for more information.
