Edwardsburgh Cardinal Public Library Science Workshop

Date and Time: Saturday, May 8 1:00 pm - 2:00 pm

Address: Online

Did you know that May 1 to 16 is Science Odyssey week in Canada? This NSERC initiative is a campaign that celebrates Canadian achievements in science, technology, engineering, arts, and mathematics (STEAM). Each year in May, hundreds of science outreach leaders deliver fun, engaging and inspiring activities to Canadians of all ages. Scientists in School is a proud partner of Science Odyssey and would be pleased to offer the young scientists from Edwardsburgh Cardinal Public Library one fully sponsored 60-minute virtual workshop.

Scientists in School presents... Scientists in Situ!

Up and Down, All Around is a 60-minute workshop available for 15 children between the ages of 4 and 12.

Explore how things move! Discover the science behind a magic trick, defy gravity by creating a balancing bird, and engineer an elastic racer to chase down Newton's Laws. We'll be on the move!

Pre-registration is required, and a limited number of spots are available! Contact edcarlibrary@gmail.com to reserve your spot.

Thursday, May 13, 2021

OMAFRA Vertical Farming Workshop

Date and Time: Thursday, May 13 11:00 am - 4:00 pm

Address: Online

The Ontario Ministry of Agriculture Food and Rural Affairs and the Ministry of Energy, Northern Development and Mines have partnered with the Northern Food Distribution Network, Northern Ontario Farm Innovation Alliance, Bioenterprise and the Rural Agri-Innovation Network to host this Webinar.

As technology becomes available, new crops and production methods are expanding opportunities in northern Ontario.

Learn from the experts about some of the key things to consider when starting a project, what resources are available to help you on your way, and how municipalities can play a role in supporting sector growth.

To view the full day's agenda, please visit the event registration page: [Greenhouse & Vertical Farming Workshops | nofia \(nofia-agri.com\)](https://www.nofia-agri.com)

You can **register** for the webinar here: <https://survey.clicktools.com/app/survey/go.jsp?iv=2q16c5jghq2wj>

Leeds and Grenville Diversity Day by the St. Lawrence-Rideau Immigration Partnership

Date and Time: Tuesday, May 25 9:15 am - 11:30 am

Address: Online

The St. Lawrence-Rideau Immigration Partnership presents Leeds and Grenville Diversity Day!

This is an annual event that will be happening on May 25 from 9:15am until 11:30am via Zoom.

Participants will come away from the morning with some solid techniques on how to have enriching, productive, culturally sensitive conversations with others. In addition, results of the 2020 Leeds and Grenville Immigrant Consultations will be presented. As always, this is a free event and everyone is welcome. We ask that those interested pre-register.

A promotional poster and pre-registration can be accessed directly here: <https://www.eventbrite.ca/x/diversity-day-2021-tickets-151081239053>

Tree Planting Seminar With Unflood Ontario

Date and Time: Wednesday, May 26 7:00 pm - 8:00 pm

Address: Online

Everything you ever wanted to know about tree planting.

A chance to ask tree experts about planting trees.

About this Event

Trees are nature's swiss army knife. They soak up water and CO2, clean the air, provide shade and habitat, and make our communities look beautiful. Learn how easy it is to plant and care for trees. Ask tree specialists your questions about trees. Join us for an hour long Q&A on May 26th, at 7:00 PM.

Meet the tree specialists:

- **Brenna Anstett**, Local Enhancement and Appreciation of Forests (LEAF) Residential Planting Programs Manager at LEAF. She is an ISA certified arborist with over seven years of experience planting native trees and shrubs on private property
- **Chris Morrison**, Reep Green Solutions. He is an ISA Certified Arborist, SOUL Certified Organic Land Care Practitioner and Fusion Landscape Professional (FLP).

Do you already know what question you want to ask? Submit it to us [right now](#).

This event is brought to you by Unflood Ontario, Local Enhancement and Appreciation of Forests (LEAF) and Reep Green Solutions. To learn more, contact info@unfloodontario.ca.

UCLG Aggregate Resources Master Plan Virtual Open House

Date and Time: Monday, May 31 6:00 pm

Address: The virtual open house will be hosted on Microsoft TEAMS

Join us for a virtual open house!

The United Counties of Leeds and Grenville invites you to join us at a virtual open house on Monday, May 31, 2021, starting at 6:00 p.m. with a presentation by our consulting team, Meridian Planning.

The purpose of the open house is to provide an update on work done so far, get your input and talk about the next steps in the preparation of the Counties-wide Aggregate Resources Master Plan.

When the Counties Official Plan was approved, it identified that an Aggregate Resources Master Plan needed to be completed. Aggregate resources, including sand, gravel and bedrock, are important and need to be protected for long-term use as they are a non-renewable resource. The products of the Aggregate Resources Master Plan will be a study document and an Amendment to the Counties Official Plan.

PRE-REGISTRATION for the event is required and closes at 12:00 p.m. on the day of the open house so that we can send you the meeting link and further instructions how to participate. You will be able to join the meeting online or by telephone. The virtual open house will be hosted on Microsoft TEAMS. To register, please contact Elaine Mallory, Planner 1, at 613-342-3840 or 1-800-770-2170, ext. 2422 or by email at elaine.mallory@uclg.on.ca.

TO LEARN MORE: Contact Planning staff or visit the United Counties of Leeds and Grenville website

We look forward to you hearing from you!
